

Degree Course in Medicine & Surgery in English Language  
**ADE**  
**A.A. 2023-2024**

TITLE ADE	Polyphonic Choir of the University of Campania Luigi Vanvitelli		
PROPOSING	Prof. Maria Luisa Balestrieri Prof. Giuseppe Signoriello		
AIM : THE aim of the ADE is to promote student participation in the University Choir. There is a growing need to incorporate medical training with medical humanities, which encompasses not only cognitive aspects but also those related to one's personality. This integration enables medical students to complement their specialized education with activities that foster personal growth. The choir serves as a platform for students to come together, encourages interaction with faculty members, and provides opportunities to experience collaborative teamwork towards a common goal. Such experiences are fundamental for future physicians working within the institution.			
ACTIVITY TYPE:	Minimum duration (hours)	Duration	CFU
