

Detailed instructions for graduating students:

1. **Before the technical meeting:** each candidate will send to the e-mail address marialuisa.balestrieri@unicampania.it an e-mail indicating their personal data, the complete title of their degree thesis, the date of the graduation session in which is entered and a mobile number to which it can be traced in case of need. A copy of the identification document in PDF format will be attached to the e-mail.
2. **Before the graduation session:** each candidate will save the graduation presentation in a PDF format and place the file on the desktop of their computer. The presentation will last 8-10 minutes and will include about 10 slides in total.
3. **During the Graduation Session:** at the beginning of the session the President of the Commission will make the appeal and each candidate will show on video their identification document previously sent by e-mail. We will then proceed, according to the order of the session, to the discussion of the thesis by each candidate, after a brief introduction by the supervisor. The candidate making the presentation will keep the video mode and the audio mode turned on, while the other candidates will turn off the audio mode.
4. **To show the presentation:** the candidate will go to the "share content" button, choose their screen sharing, open the PDF file with the presentation and place it in full screen mode.
