

Early Career SIBBM (EC-SIBBM) pre-meeting

Reset, Reimagine, Reframe

Save the date: **16-17 June! NAPLES**

Complesso di Santa Patrizia Via Luciano Armanni, 5, Università degli studi della Campania "Luigi Vanvitelli"

The EC-SIBBM pre-meeting is designed to bring together early-career investigators, including Ph.D. students and early postdocs, providing a supportive environment to help them advance their scientific careers. This event will act as a springboard for discussions on professional growth, offering valuable guidance for navigating both academic and industry research career paths. Our goal is to inspire and empower early-career scientists to shape their futures while enhancing their communication and networking skills within the scientific community. Additionally, participants will have the opportunity to present their research in a friendly and stimulating environment.

TOPICS:

Exploring Career Pathways: Academia, Industry, and Startups
Mastering the Art of Oral Presentations
DataBlitz: Present and Showcase Your Research
