

ADDITIONAL LESSONS FOR PHYSICS APPLIED TO MEDICAL SCIENCES

Some additional Physics lessons will be held on Teams platform (code ub65bmq) for students enrolled late that didn't attend the regular courses. The lessons will be given according to the following calendar: 12 and 26 April, 5 and 12 May (15.00-17.00).

To attend these lessons is necessary for participating to the next exam sessions. The lessons are open to all interested students.
