

Notice to students of master's degree Courses in Medicine and Surgery

Students of the Degree Courses in Medicine and Surgery in Naples and Caserta and in Medicine and Surgery are hereby advised that starting from the next academic year. 2024/25, on the basis of what was approved by the Council of the School of Medicine and Surgery in the meeting of 6.5.2024, the Practical Evaluation Internships will take place with new methods, aimed at promoting the students' careers, which will be regularly announced by the respective Degree courses. In this regard, on an experimental basis, students enrolled in the 6th year who intend to graduate in October 2024 are offered the possibility of being able to take the TPVs in the next months of June, July and September 2024. Students must complete the attached declaration and forward it to the email address scuola.medicina@unicampania.it by Thursday 30 May 2024.

Il Presidente della Scuola
Prof. Ludovico Docimo
